APPLICATION FOR PRIVATE ROAD

All drawings must be sealed by an architect, landscape architect, engineer or surveyor unless waived by the Zoning Administrator or Planning Commission.

A complete application and plans must be filed to the Township Zoning Administrator not less than thirty days before the Planning Commission meeting to allow adequate staff review.

If approved, all other required township, county, state and federal permits must be secured before construction may commence.

1. Name(s) of the owners and any other parties having any legal interest in the private road:

2. Parcel number or legal description of the property over which the private road is to be constructed:

3. A Scaled drawing showing the location, route, dimensions, specifications and design on the private road and any proposed extensions of the road, existing or proposed curb cuts and the location and distance of any public street which the private road is to intersect: _____

4. A road maintenance agreement, access easement agreement and deed restrictions: _____

5. A driveway permit application from the Cass County Road Commission.

6. A letter from the Cass County Road Commission indicating there is no known duplication of the proposed private road name and that such road conforms to the Cass County road name requirements.
